CDS VICE-PRESIDENT'S REPORT TO THE 2026 CDS AGM

It is hard to believe another year has now gone by. 2026 was a busy year dealing with various matters including but not limited to CDS, CDS-PD transition and bylaw changes, WDSF, Breaking, Safe Sport, Sport Canada, Canadian Centre for Ethics in Sport (CCES) now known as Sport Integrity Canada. In my role as CDS Vice-President I simply tried to assist Sandy as much as possible. Once again, the amount of time and energy which Sandy had devoted towards all of the CDS, CDS-PD (CDS PC), WDSF as well as Breaking matters during the year was immense. She is simply remarkable as she kept to deadlines, accomplished numerous tasks in a timely fashion, attended virtual meetings and communicated with the various parties. We are very blessed to have her at the helm as our President. I enjoyed working with Sandy and assisting her in the various CDS, CDS Professionals, WDSF and Breaking matters throughout the year.

I will not be listing the various items which I had helped Sandy with during the year as I am sure Sandy's report will identify each item clearly.

I would like to reiterate once again how very fortunate we are to have Sandy as our CDS President. Her vast knowledge on WDSF and CDS matters is certainly an asset to our association. I wish to thank her for all her work on CDS to date.

Respectfully yours,

Pinky Wong
Vice-President, Canada DanceSport
